Product Description

Product Description:

The Silicone Food Bag comes in three different sizes, with a weight of 70 G, 105 G, and 138 G. The lightweight design of the bag makes it easy to carry around and store in your kitchen or pantry. The bag's capacity ranges from 200ml, 400ml, and 800ml, providing enough room to store your fruits, vegetables, snacks, and leftovers.

The Silicone Food Bag is odorless, ensuring that your food stays fresh and free from unpleasant smells. It is perfect for storing different types of food, including liquids, solids, and semi-solids. With its durable design, the Silicone Food Bag can be used multiple times, reducing the need to buy disposable plastic bags.

The Silicone Food Bag is easy to clean and maintain. You can wash it with soap and water or put it in the dishwasher for hassle-free cleaning. The Silicone Food Bag is also freezer and microwave safe, making it a versatile product that you can use for different purposes in your kitchen.

Overall, the Silicone Food Bag is an excellent product that provides a sustainable and convenient way to store your food. It is environmentally friendly, reusable, and designed to last for years. Get your Silicone Food Bag today and enjoy a hassle-free and eco-friendly food storage solution!
